**Notes:**

1. Figures were obtained from Bank Returns submitted to the Central Bank of Belize as required under Section 73(2) of the Domestic Banks and Financial Institutions Act.

2. Effective 31 December 2022, banks were required to establish and maintain loan loss provisions in accordance with International Financial Reporting Standards (IFRS) 9 for financial reporting purposes. This adoption has resulted in the reclassification of a substantial portion of loan loss reserves from a contra account on the asset portion of the Statement of Financial Position to a loan loss reserve under equity. This amount represents the excess of Regulatory Loan Loss Provisions required as per the DBFIA Practice Direction No. 3 over loan loss provisions as required by IFRS 9.

3. Residential mortgage rates may vary within a range for each bank.
