<sup>\*</sup>In January 2015, the Supreme Court of Belize denied the enforceability of the London Court of International Arbitration (LCIA) final award which Belize Bank Limited (BBL) includes in its reported figures as a recievable from the Government of Belize as at 31 March 2015. The receivable amounts to \$58.58 million. Subsequent to the decision of the Supreme Court, BBL impaired the receivable and recorded \$15.78 million in provisions.

- Notes:

  1. Figures were obtained from Bank Returns submitted to the CBB as required under Section 73(2) of the Domestic Banks and Financial Institutions Act.

  2. Residential mortgage rates may vary within a range for each bank.

<sup>\*\*</sup>The current year profit reported by BBL has been adjusted by the Central Bank of Belize to exclude \$8.88 million in interest being accrued on the LCIA award for the period 1 April 2014 to 31 March 2015.
