GOLD AND FOREIGN CURRENCY

1. (1) Except with the permission of the Central Bank, no person other than an authorised dealer, shall in Belize and no resident, other than an authorised dealer outside Belize buy or borrow any gold or foreign currency from, or sell or lend any gold or foreign currency to, any person other than an authorised dealer.

(2) Except with the permission of the Central Bank, no person resident in Belize, other than an authorised dealer, shall in Belize do any act which involves, is in association with or is preparatory to buying or borrowing any gold or foreign currency from, or selling or lending any gold or foreign currency to, any person outside Belize.

(3) Where a person buys or borrows any gold or foreign currency in Belize or, being a person resident in Belize does any act which involves, is in association with or is preparatory to the buying or borrowing of gold or foreign currency outside Belize, he shall comply with such conditions as to the use to which it may be put or the period for which it may be retained as may from time to time be notified to him by the Central Bank .

(4) In these Regulations:-

(a) the expression “foreign currency” means any currency other than Belize currency, and any reference to foreign currency including a reference to any right to receive foreign currency in respect of any credit or balance at a bank or other institution, except as far as the context otherwise requires.

(b) the expression “Belize” means the territories specified in the First schedule of these Regulations, so, however, that the Central Bank may at any time by order amend the said Schedule, either by the addition or exclusion of Territories or otherwise, and the said expression shall be construed accordingly.

2. (1) Every person in or resident in Belize who is entitled to sell or to procure the sale of, any gold, or any foreign currency to which this Regulation applies, and is not an authorised dealer, shall offer it, or cause it to be offered for sale to an authorised dealer, unless the Central Bank consents to his retention and use thereof, or he disposes thereof to any other person with the permission of the Central Bank .

The foreign currency to which this Regulation applies is such foreign currency (hereinafter in these Regulations referred to as “specified currency”) as may from time to time be specified by order of the Central Bank.

(2) If a person who has obtained the consent of the Central Bank to his retention and use of any gold or specified currency, and has stated in an application for the consent that he requires it for a particular purpose, no longer required the gold or currency for that purpose, the preceding subsection shall thereupon apply to him in relation to that gold or currency as if the Central Bank had revoked its consent to his retention and use thereof.

(3) A person who acquires any gold or specified currency from an authorised dealer shall be treated for the purposes of this regulation as if the Central Bank had consented to the retention and use by him of that gold or currency (subject, however, to any conditions notified to him in accordance with subsection (3) of the preceding Regulation) and as if any statement made by him in an application for that gold or currency as to the purpose for which he requires it had been made by him in an application for the Central Bank 's consent to his retention and use thereof.

(4) Where a person has become bound under this Regulation to offer or cause to be offered any gold or specified currency for sale to an authorised dealer, he shall not be deemed to comply with that obligation by any offer made or caused to be made by him if the offer is an offer sell at a price exceeding that authorised by the Central Bank, or without payment of any usual and proper charges of the authorised dealer, or otherwise on any unusual terms.

(5) Where a person has become bound under this Regulation to offer or cause to be offered any gold or specified currency for sale to an authorised dealer and has not complied with that obligation, the Minister of Finance may direct that the gold or currency shall vest in the Central Bank, and it shall vest in the Central Bank accordingly free from any mortgage, pledge or charge, and the Central Bank may deal with it as it thinks fit, but the Central Bank shall pay to the person who would but for the direction be entitled to the gold or currency such sum as he would have received therefore if he had sold it to an authorised dealer in pursuance of an offer made under this Regulation at the time when the vesting occurred.

(6) In any proceedings in respect of a failure to comply with the provisions of this Regulation, it shall be presumed, until the contrary is shown, that the gold or currency in question has not been offered for sale to an authorised dealer.

3. (1) Every person in or resident in Belize by whom or to whose order (whether directly or indirectly) any gold or any specified currency in the form of notes is held in Belize, but who is not entitled to sell it or procure its sale shall notify the Central Bank in writing that he so holds that gold or currency or that such gold or currency is so held to his order.

(2) The Central Bank may direct any person in or resident in Belize by whom or to whose order (whether directly or indirectly) any gold or any specified currency in the form of notes is held in Belize, whether or not he is entitled to sell it or procure its sale, to cause that gold or currency to be kept at all times in the custody of such banker as may be specified in the direction or to comply with such orders as may be published from time to time.

4. (1) This Regulation applies to any document of a kind intended to enable the person to whom the document is issued to obtain foreign currency from some other person on the credit of the person issuing it, and in particular to any traveller's cheque or other draft or letter of credit so intended.

(2) For the purposes of these Regulations, the person issuing a document to which this Regulation applies, and the person to whom it is issued, shall be deemed respectively to sell and buy foreign currency and where foreign currency is obtained by means of the document to sell and buy that foreign currency.

(3) Any such document not expressed in terms of Belize dollar or the currency of any other Schedule territory shall, if it is of a kind intended to enable the person to whom it is issued to obtain any specified currency, be treated also for the purposes of these Regulations as itself being specified currency.

(4) Every person in or resident in Belize who holds or to whose order there is held any document to which this Regulation applies, being a document expressed in terms of Belize dollar, or the currency of any other Schedule territory, shall encash it or cause it to be encashed in Belize with the person issuing it or with a banker, unless the Central Bank consents to his retention and use thereof and, where in his application for that consent he has stated that he requires it for a particular purpose, unless also he still requires it for that purpose.

(5) A person who acquires any document to which the last preceding paragraph applies from an authorised dealer shall be treated for the purposes of that paragraph as if the Central Bank had consented to the retention and use by him of that document (subject, however, to any conditions notified to him in accordance with paragraph (3) of Regulation 1 of these regulations), and as if any statement made by him in an application for that document as to the purpose of which he requires it had been made by him in an application for the Central Bank's consent to his retention and use thereof.
