**Central Bank Assures the Public of the Stability of the Financial System**

**Belize City, 24 April 2024:** The Central Bank of Belize (Central Bank) assures the public that Belize's financial system continues to be supported by a stringent regulatory framework and diligent oversight measures that safeguard the interests of depositors.

As the regulatory authority entrusted with overseeing Belize's financial system, the Central Bank operates with the highest standards of integrity and transparency, as evidenced by the continuous publication of information on the health of financial institutions licensed by the Central Bank.

The public is urged to exercise caution and discernment in consuming information. Furthermore, the media is strongly encouraged to be prudent and responsible in disseminating information to the public and to avoid the spread of false news.

The Central Bank remains committed to its mandate of maintaining financial stability and soundness through effective supervision and sound financial system regulation.
